**Raising money for
the Link Lunch Club
at St Luke's Church**

This charity has been running since 1987 and serves the elderly, disabled and lonely residents of Beccles.

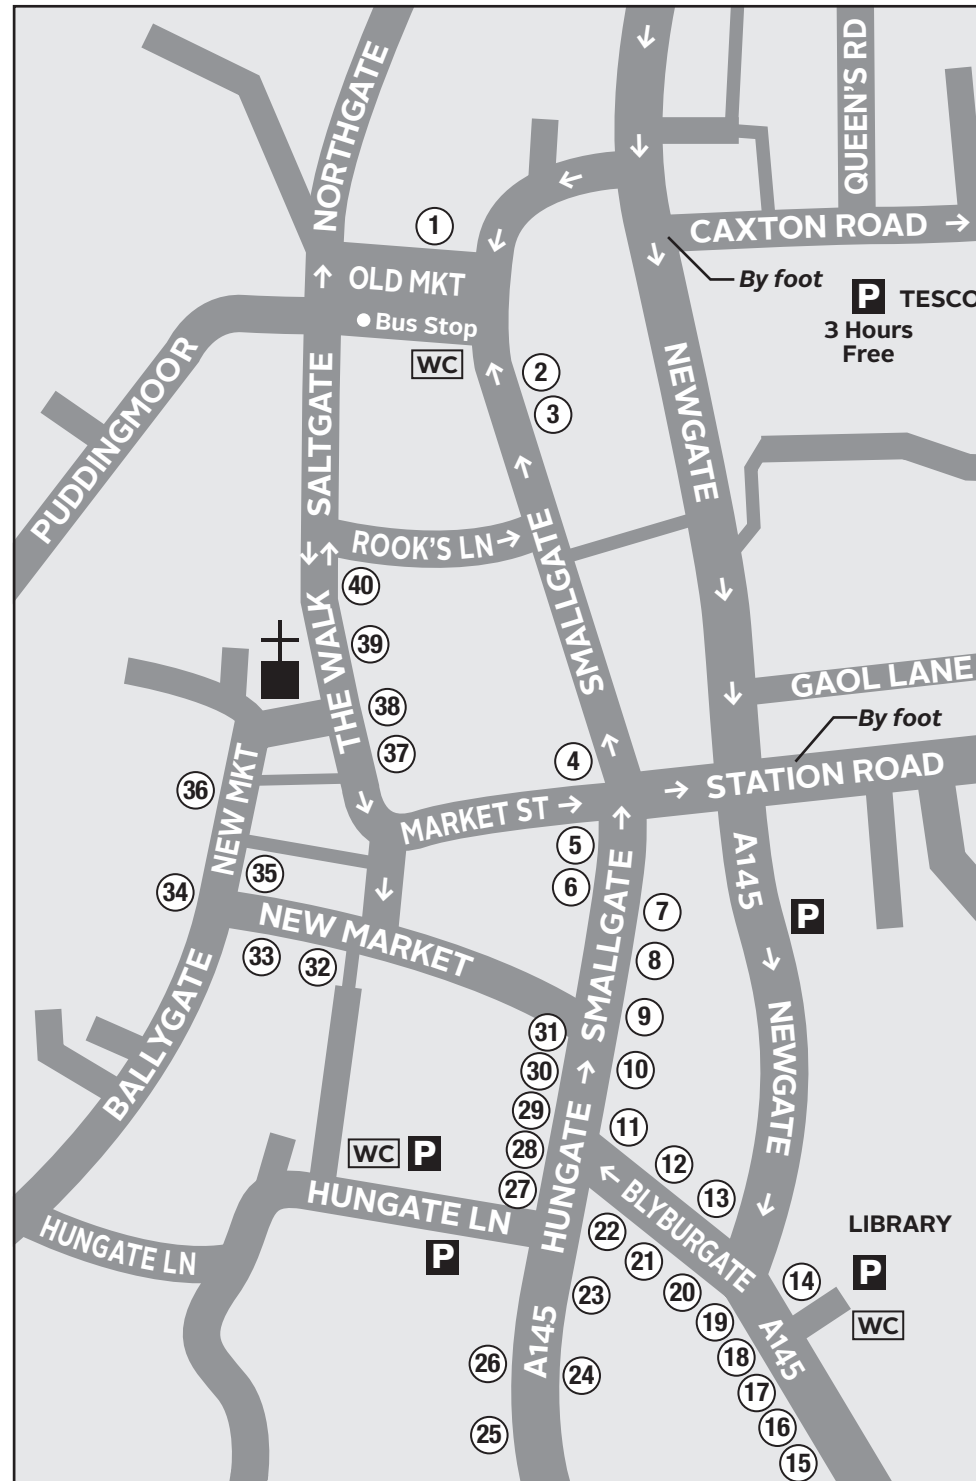

Every Thursday between 70 and 90 meals are cooked for the clients, who are picked up in special transport. It is an opportunity for them to have what may be the most fresh and nutritious meal of the week in a warm social setting, before being delivered safely home.

Please support this event and help the charity.

Thank you.
