# BECCLES TOWN WALKS

## BECCLES HELPING HANDS LIVING HISTORY & GHOST WALKS 2024

## LIVING HISTORY WALKS

**Step Back in Time** for a summer evening walk around the historic town of Beccles.

Have fun whilst discovering secrets of its past, its buildings, its trades and its people.

You will enjoy an entertaining stroll through time and meet a host of characters from days gone by as they go about their daily business.

Whether you are a visitor or a local resident, you will learn much about the history of this fine old market town.

## GHOST WALKS

**Be Bold**, come and enjoy a dark, ghostly winter evening walk in Beccles.

We take you to sites of foul deeds, stroll along haunted byways and come face to face with some of Beccles' ghostly characters.

**Not suitable for dogs that might be startled, or those of a nervous disposition!**

## BECCLES HELPING HANDS

**Beccles Helping Hands** is a social club which, through various social events, raises money to be used for the benefit of the Beccles community.

Financial support is provided to assist community projects and community organisations which benefit the people of Beccles.

Additionally, contributions are made towards equipment or services that will aid individuals in need. We have raised and distributed over £40,000 to date.

In recent years **Beccles Helping Hands** has become synonymous with the **Beccles Living History** and **Ghost Walks** which are its main fundraisers.

New members are always welcome.

If you would like to take part in the walks or join us in our other social events, please contact Marie Mann on **07887 553103** or you can email us at **info@beccleshelpinghands.co.uk**
